- 2.2 Spectrolab may make partial and advance deliveries.

- 2.4 At Spectrolab's option, Customer may be invoiced for additional costs incurred by Spectrolab due to delays in delivery caused by Customer, including costs of storage and insurance.

3. Packaging and Shipment

- 3.1 Spectrolab will package and arrange for shipping according to customary standards.
- 3.2 Customer will be invoiced for the costs of shipping and special packaging.
- 3.3 If applicable, Spectrolab shall apply to the U.S. Government for authority to export the products. Customer shall be responsible for obtaining from any other government any required permission to import the products. Customer shall use its best efforts to assist Spectrolab in obtaining U.S. Government export licenses if Spectrolab requests such assistance. Customer assumes the risk that such export licenses and permission shall be obtained and shall remain in effect. If any required export license or permission is not obtained or is withdrawn or not extended, Spectrolab may terminate the order or portion thereof affected thereby.

4. Security Interest

- 4.1 Spectrolab shall retain a purchase money security interest in the products and in any sums due or paid to Customer therefor by any third party, until Customer has paid the purchase price to Spectrolab in full. Customer shall cooperate with Spectrolab in taking whatever actions are reasonably necessary to perfect and maintain the security interest.
- 4.2 If Spectrolab requests, Customer shall insure the Products in the full amount of the security interest against all loss, damage or destruction from the time the

Products are delivered to the FOB/FCA point until the security interest is removed.
